Virginia State Yo-Yo Contest 2026 · Dulles Town Center · Saturday, September 19

What is it?

The 16th Annual Virginia State Yo-Yo Contest is a one-day competition and community event taking place at Center Court, Lower Level at Dulles Town Center. Competitors of all ages take the stage across multiple divisions while families, spectators, and Saturday shoppers watch from the atrium. It's a high-energy, highly visual event that creates a natural "stopping effect" — drawing foot traffic to Center Court all day long.

Why get involved?

- Your brand in front of 100–200 attendees and their families — plus regular DTC Saturday shoppers.
- Center Court visibility all day long — banners, stage announcements, and social media shoutouts.
- Support a volunteer-run community event. Every dollar goes directly to the event.
- No competing skill toy retailers at the venue — your business stands out.
- Entirely family-friendly. Great for restaurants, shops, and local services in the Dulles corridor.
